****USED****

Item Number 6

Micro Psychic by Kreis Corp Magic (Original Version)

****EXCELLENT CONDITION****

This item was purchased at the Blackpool Magic Convention and originally retailed for around £120. The product is now discontinued. It's a simple yet astonishing effect where you can unscrew a nut from a bolt just by holding the end of the bolt. Best of all, everything is fully examinable both before and after the performance.

Item Number 7

Jewel Thief (Unknown Creator)

****USED****

This First-Class children's magic item is being auctioned without instructions, but the effect is very simple and easy to perform. Jewels are stolen from the safe, vanish from a change bag, and then magically reappear back inside the safe.

Item Number 8

Appearing Glass of Wine - Unknown Creator

****BRAND NEW****

With this clever gimmick, you can magically produce a full glass of real wine from the inside of your jacket. The design ensures the glass remains completely sealed until the moment it appears. While instructions weren't originally included, I'd be more than happy to teach you how to use it.

Item Number 9

A Collector's Museum Piece - Pack of Cards Inside A Glass Bottle
****USED****

Item Number 10

3 x Stainless Steel Flesh Coloured Dye Tubes
****USED****

Item Number 13

Cobra Sharpie 2.0 by Mozique

****USED****

Detect neodymium magnets electronically from a range of 1 to 6 inches. The discreet vibration unit allows you to precisely locate the magnet with ease. Very easy to use, this device is ideal for effects such as smash-and-stab routines involving a magnetic spike.

A brand-new battery and ink have recently been replaced in February 2025, and the unit is in perfect working condition.

Item Number 14

Handcrafted Felt Tabletop Cover Featuring All Four Playing Card Suits

****BRAND NEW****

This soft felt tabletop cover measures 68cm x 68cm.

Item Number 15

Boris Wild's Marked Deck VHS & Marking Material Set

****USED****

There is more than enough unused number transfers left for marking one deck of cards on both the top and bottom of each playing card.

Item Number 16

2 x Tarantula Gimmicks by Yigal Mesika

****EXCELLENT CONDITION****

This auction lot includes two fully tested and working Tarantula Gimmicks. Each box contains four brand-new batteries. Comes complete with the original instructional DVD and also a paper copy too.

Item Number 29

Vapr By Will Tsai & SansMinds (Includes Remote Feature)

****USED****

This discontinued item originally retailed for £145 and comes complete with its original instructions. While it has never been used in a performance, it has been tested. Please note that part of the gimmick has become slightly sticky, which is why I'm listing this prop as 'used.'

Vapr represents the future of producing safe, mystical smoke from your bare hands. This precision-engineered device has set a new standard for magicians looking to elevate their performances with dramatic clouds of smoke. With its remote feature, you can now create smoke from up to 50 feet away!
